APPSOLV M17

PRODUCT DESCRIPTION AND USE:

READY TO USE DEGREASER

APPSOLV M17 is a ready-to-use " Quick-Break" General Purpose Solvent Degreaser. Its uses cover a wide variety of degreasing problems.

APPSOLV M17 is ideal for mining equipment, quarrying and construction equipment, automobile engines and parts, greasy floors - in fact **APPSOLV M17** will solve your degreasing problems in almost every situation.

APPSOLV M17 comes ready-to-use, and its high flash point (80 °C) means it is much safer than conventional solvent degreasers with flash points of <40 °C.

BENEFITS:

- High flash-point means greater safety
- Safe on all metals
- No mixing needed.
- Quickly penetrates oil, grease and dirt
- Use at room temperature - no heating needed.
- Simple to apply by spray, swab or immersion
- Economical
- Pleasant pine smell - no obnoxious solvent fumes
- Quick Break: Specially formulated for use with oil interceptors.

PRODUCT CHARACTERISTICS:

APPSOLV M17 is a deep blue thin liquid with a pleasant pine/solvent odour.

Flash Point (COC): 80 °C

DIRECTIONS FOR USE:

APPSOLV M17 may be sprayed, swabbed or brushed onto the surface to be cleaned. It should be left to penetrate soils for 15 - 20 minutes, depending on the amounts of soil to be removed, then pressure rinse with clean water.

HANDLING PRECAUTIONS:

HAZARDOUS

Hydrocarbon Liquid, Irritating to eyes, respiratory system and skin. Avoid breathing vapours. Use in well ventilated area. Wear safety glasses & suitable gloves when handling.

Refer to label or MSDS for further safety information.

For further information, please consult the Materials Safety Data Sheet.
